

### **1 POSITIONS – BASED IN WEST POKOT COUNTY**

**Job Title:** Field Officer FOSECCA Project

**Station:** West Pokot, Alale Ward

**Reporting to:** Head of Programmes

**Term:** 3 Years

### **ADS North Rift Region**

Anglican Development Services (ADS) North Rift Region is the development arm of the Anglican Church of Kenya, Dioceses of Eldoret, Kitale and Kapsabet and the Lodwar Missionary Area. It has been involved in development work since 1983 and was registered as a company limited by guarantee in 1997. ADS North Rift programme covers the six counties of the North Rift namely; Elgeyo-Marakwet, Nandi, Trans Nzoia, Turkana, Uasin Gishu and West Pokot.

ADS North Rift in partnership with Bread for the World (BftW) is implementing Food Security and Climate Change Adaptation (FOSECCA) Project in Turkana, West Pokot, Elgeyo Marakwet and Nandi Counties. The main objective of the project is to increase access to food and promote resilience of food insecure households and increase the area (Ha) of rehabilitated and protected ground in the hands of farmers in order to enable an appropriate increase in the yield of staple foods.

### **Key Responsibilities**

- Facilitate the implementation of Food Security and Climate Change Adaptation (FOSECCA) project activities at community level in Alale Ward.
- Understand and implement FOSECCA project log-frame and work plans (detailed implantation Plan)
- Facilitate the implantation of Agricultural and Horticultural Production, Community Based Disaster Risk Reduction, Income Generating, Livestock Management and Market Development components of the project.
- Facilitate trainings, workshops and other field and project related activities
- Support the development and implementation of a training curriculum for the different components of the project
- Ensure that beneficiaries understand the project and their role in implementation including their contribution.
- Work closely with communities, local leaders and local authorities at all stages of the project implementation
- Establish a positive and cohesive working relationship with direct beneficiaries and other actors in the community
- Ensure participation of all beneficiaries in the decision-making process
- Prepare timely and quality project reports that meet donor requirements
- Participate in data collection, analysis and documentation of field findings
- In liaison with Head of Programmes develop project proposals to address county specific gaps
- Document project change stories and lessons learnt
- Promote strong linkages with other key stakeholders in food security sector

### **Required Qualifications/Personal Attributes/Competencies**

- Minimum of Diploma in Agricultural Economics/Agribusiness, Agronomy, Disaster Management, Environmental Management, Social Work or related field.
- Minimum of 1 year of professional experience among the pastoralists and demonstrated technical skills in coordination and development of activities related to agriculture, food security, environmental adaptation/climate change, resilience and disaster management.
- Experience in facilitating community engagement forums
- Practical experience in computer applications (MS Office and Internet use)
- Qualified and licenced rider of motorcycle
- Experience in working with local community structures
- Have a good understanding of the pastoral community way of life
- Strong interpersonal skills; ability to communicate effectively at all levels of the organization and with clients and coworkers
- Attention to details
- Interpersonal skills
- Analytical skills
- Understanding of local dialect (oral) is an added advantage.
